

Increase buyer appeal with adjustable pantry shelving

ClosetMaid's ShelfTrack™ system with Close Mesh shelving can boost the appeal of kitchen pantries in your model homes. The ShelfTrack standard and bracket system allows shelves to be adjusted to any height, making storage more versatile in both large and small pantries. The 5/8" wire spacing of Close Mesh shelving prevents cans and jars from tipping. The popularity of ShelfTrack is proven at retail. Now you can get high perceived value for low incremental cost. Ask your Authorized ClosetMaid Dealer for an estimate.

SHELFTRACK™

Shelving can be spaced at any height with the ShelfTrack™ standard and bracket system.

Close Mesh shelving features 5/8" wire spacing to prevent items from tipping.

The ShelfTrack system is also ideal for closets for children and teens, adjusting to their needs as they grow.

- The adjustable ShelfTrack system provides versatile storage in pantries and closets.
- Use as a standard feature or upgrade.
- Supported by ClosetMaid's Visual Storage Planner.
- Home buyers can easily add shelving to the system.
- Close Mesh shelving is available in 12", 16" and 20" shelf depths.
- Ask your ClosetMaid Authorized Dealer for more information and an estimate.
