

CLOSETMAID®

Ventilated Wire Shelving

EMERSON

Storganization™ for the whole home

Today it's not enough to just make our homes more energy efficient.

Make them more space efficient, too, with ventilated wire shelving systems from ClosetMaid®. A ClosetMaid system can double the amount of storage space in a typical reach-in closet. With ClosetMaid, homeowners can spend less time looking for the things they own and more time doing the things they love.

Two mounting systems are available for use with any of ClosetMaid's White or Satin Chrome shelving:

- Adjustable, easy-to-install ShelfTrack® that can be reconfigured and upgraded as the homeowner's needs change.
- Original, economical Fixed Mount

"I can easily find what I need
with my new Satin Chrome shelving -

it's beautiful!"

Bedroom

For most families, mornings begin with a frantic rush to get everyone out the door. But a well-organized ClosetMaid system can help save valuable time when you know exactly where to find everything in the master bedroom and kids' closets. ClosetMaid wire systems can be designed to fit any reach-in or walk-in bedroom closet.

All-purpose (SuperSlide®/Linen) shelving is perfect in stack applications for hanging and storing clothes:

- Add SuperSlide® 3/4" diameter hang rod and hardware to allow hangers to slide freely. Hang Rods available in White and Chrome finishes
- Corner shelves and rounder bars maximize corner spaces in walk-in closets
- Shelf available in 12" and 16" depths in White and Satin Chrome finishes

TotalSlide® Pro with All-purpose 12" and 16" shelving is ideal for combined hang and stack applications:

- Continuous-slide hang rod attachment allows hangers to slide freely
- Corner rounder bars optimizes corners
- Available in White and Satin Chrome finishes

TotalSlide® shelving provides an integrated, continuous slide hang rod:

- Hang rod allows hangers to slide freely
- Available in 12" and 16" depths in White finish

Shelf and Rod shelving is a cost-effective shelving solution for bedroom closets:

- 12" hanging sections
- Available in 10", 12" and 16" depths in White and Satin Chrome

Shelf & Rod

Kitchen

The heart of the home beats a little faster when you know where everything is. ClosetMaid wire shelving in the pantry keeps everything well-organized and close at hand. And if you don't have a dedicated pantry, you can create one with a wall of ClosetMaid shelving. Whether it's a large family gathering or a weekday breakfast, everything runs a little smoother with ClosetMaid.

Close Mesh is the ideal solution for pantry and bath shelving:

- Compressed 5/8" depth wire spacing prevents small items from tipping
- Available in 9", 12", 16" and 20" depths in White finish
- Available in 12" and 16" depths in Satin Chrome finish

"I love

the adjustability of my wire shelving system to accommodate my needs."

TOTAL SLIDE[®] PRO

Laundry/Utility

ClosetMaid wire shelving can help keep laundry and utility rooms clean and tidy. And anything that helps mom spend less time in the laundry room is a good thing.

Shelf & Rod is an economical solution when hanging space is needed:

- 12" hang rod spacing
- Available in 10", 12", and 16" depths in White finish

Linen shelving is a basic all-purpose shelf:

- Add any length TotalSlide® Pro hang rod system wherever hanging space is needed.
- Available in 6", 9", 12" 16" and 20" depths in White finish

Garage

Today's homes are often built with multi-car garages. But that doesn't help much when they end up being cluttered storage units. ClosetMaid heavy-duty wire shelving can help homeowners keep all of their power tools, gardening tools, outdoor and seasonal gear organized and easy to access, leaving plenty of room for vehicles.

Heavy Duty shelving is the best solution for garage or basement storage:

- Available in 12" and 16" depths in White finish
- Strongest performance when installed with Heavy Duty ShelfTrack® 16" depths in Satin Chrome and Charcoal

"My garage

has never been more organized and the wire shelving is strong and maintenance free."

The advantages of ClosetMaid wire shelving at a glance:

- ClosetMaid offers shelving and storage systems for every room in the home
- ClosetMaid wire shelving offers the strength of extruded steel rod for less than the cost of wood
- Many types of closet shelving are available for distinct price points and functions
- ClosetMaid shelving's durable, vinyl coating requires no painting
- Can be installed before or after carpet
- Free Replacement Policy

ClosetMaid: Environmentally Responsible

ClosetMaid ventilated wire shelving is certified by SCS Global Services, a leading third-party certifier for environmental labels and claims, for being made from 91 percent recycled content including 86 percent post-consumer and five percent pre-consumer recycled steel.

Products that carry the SCS Recycled Content Certification can help meet LEED criteria specified by the U.S. Green Building Council (USGBC).

Recently, ClosetMaid wire shelving also gained additional distinction by earning **SCS' Indoor Advantage Gold Certification** which meets California Specification 01350 indoor air quality standards for school classroom, private office and single family residence.

The ClosetMaid vinyl-coating process on wire shelving ensures durable encapsulation of steel wire and welds to resist chips, rust and UV discoloration. ClosetMaid wire shelving is proudly Made in the USA.
